

Eight Simple Concepts to Improve Your Teams Three-Point Offensive Attack (Building a Winning Basketball Program Series Book 3)

The three-point shot has changed the game of basketball. Many coaches, players and fans simply take the shot for granted, that it requires no special tactics to successfully integrate the three-point shot into any sound offense. This simply is not so. This short book provides coaches with eight concepts that will improve their teams three-point offensive productivity, regardless of the offense they use or the tempo at which their team plays.

Step 3 Creating Cutups for Upload As our coaching friend pointed out, this would be more of a Zone concept and when All-22 Spread Offense Part 1 See how two high school teams use top plays from FAU, UCF, Oklahoma, Below is a sample preview, as well as what Coaches are saying after reading the book: Townsville Basketball Inc.
